1. The attached is a suggested reply to the Attorney General's request on the proposed revision of NSC 5427.

2. The Attorney General, by letter dated 24 May, 1963, requested your views regarding the above proposal, particularly with respect to Paragraph 1 cited below. I believe we should concur with Paragraph 1 and express general agreement with the objectives of the remaining provisions.

3. Paragraph 1 states: "Restrictions should be placed upon diplomatic and official representatives of Soviet bloc countries in the United States on the basis of strict reciprocity for restrictions placed upon U.S. representatives in each Soviet bloc country; as determined to be feasible by a group composed of representatives of the Departments of State, Defense, Justice, and CIA". The remaining provisions place various requirements on Soviet bloc countries and specified U.S. agencies. CIA is not mentioned in these provisions. (See Proposed Revision attached).

Honorable John A. McCone
Director of Central Intelligence
Washington 25, D. C.

Dear Mr. McCone:

The Under Secretary of State for Administration forwarded to the Chairman of the Interdepartmental Committee on Internal Security (ICIS) a proposed draft National Security Action Memorandum which would rescind and supersede NSC 5427, "Restricting Diplomatic and Official Representatives of the Soviet Bloc Countries in the United States in Connection with Strategic Intelligence".

The provisions of the proposed draft were reviewed and revisions made and, in light of internal security considerations, the ICIS recommended the issuance of the revised draft NSAM attached.

You will note in Paragraph 1 of the attachment that the basis for restrictions placed on diplomatic and official representatives of Soviet bloc countries is strict reciprocity as determined to be feasible by a group composed of representatives of the Departments of State, Defense, Justice and CIA.

Prior to making a final recommendation to the President concerning the promulgation of the attached draft NSAM I would appreciate receiving any views you may have particularly as they may relate to Paragraph 1. Any questions you may have concerning the draft attached should be taken up with Mr. Doherty of this Department on Extension 2337.

Sincerely,

[Signature]
Attorney General
